

# **INSTRUCTIONS FOR USE OF**

## **NEBRASKA CONSTRUCTION SPECIFICATION**

### **(NE-81) - METAL FABRICATION AND INSTALLATION**

#### **1. APPLICABILITY**

Construction Specification NE-81 is applicable to the fabrication and installation of all items of metal work not covered by other specifications. It is applicable, but not limited, to such items as trash guards, antivortex hoods and animal guards.

#### **2. MATERIAL SPECIFICATIONS**

There are no material specifications complementary to Construction Specification NE-81. Paint System C, defined in this specification is a condensation of Paint System C, described in PL-46 Specification 82, Painting Metalwork. This is mainly to communicate with the fabricators.

#### **3. ITEMS TO BE INCLUDED IN SPECIFICATIONS AND/OR DRAWINGS**

- A. Detailed drawings as necessary to show the dimensions and method of fabricating and erecting the item or structure.
- B. Details of connections showing sizes and number of bolts, and sizes, kinds, and dimensions of welds.
